Logistics Coordinator

Owen Green

Owen has been the Logistics Coordinator at Dialectic Distribution since January of 2017. He got his start in the logistics world moving pineapples across the country for Dole Foods before moving on to become the U.S. manager of military logistics for the Danish Armed Forces.

Away from the office, Owen can be found with his Siberian Husky, Jackson, exploring the outdoors and all it has to offer. That is as long as it's not a Sunday in the fall... A diehard Buffalo Bills fans, he dreams of the day they capture their first
